Dear Mr. Maloney,

Your company appears to be hosting copyrighted images belonging to my company. I have attached a number of images that you need to remove. Every image of a model in the attached Adobe file is copyrighted by my company. I have in some cases placed after the infringing images of a particular model, authorized images of that same model from perfect10.com. Please provide me with the names, addresses, email addresses, and telephone numbers of the individuals who have posted the attached images.

Most if not all of the images in this notice appear on perfect10.com. Please let me know if you would like a complimentary username and password. Please remove all images from your servers that display Perfect 10 copyright notices.

I swear under penalty of perjury that a) I have a good faith belief that the use of the copyrighted material in the manner complained of in this notice is not authorized by the copyright holder Perfect 10, Inc., its agent, or the law, b) that the information in this notification is accurate, to the best of my knowledge, and c) that I am authorized to act on behalf of the owner of the exclusive rights in the material which is being infringed.

Please contact me if you have any questions about this notice.

welcome to yet another blog that
appreciates a controversial subject: the
attractiveness of the V-jayJay. Beauty is
ultimately in the eye of the beholder, but
like any fine work of art created by the
hands of God, pussi is always beautiful.

i welcome and highly encourage
submissions from all the ready and willing
ladies: submit photos of one of the most
cherished, adored, and worshipped part of
your body. be creative - paints, oils, glitter,
diamonds, pearls - be expressive, be
sexy, be clever, be all of the above.

last but not least, ASK me anything :]

These are a few of my favourite things

I'm a guy who is old enough to know better.

With the exception of my profile picture (that's me), all images, unless otherwise noted, have been taken from the Internet and are assumed to be in the public domain. In the event that there is still a problem or error with copyrighted material, the break of the copyright is unintentional and non-commercial and the material will be removed.

If you are not at least 18 years old you are a child and you should not be here. Go and maintain your innocence for as long as you possibly can, there will be plenty of time for you to experience the sort of things posted here when you grow up and become an adult.
